

REMARKS

Status of Claims

The Advisory Action mailed October 2, 2007 has been reviewed and the comments therein were carefully considered. Claims 1-3, 6-11 and 14-16 are pending in the application and are currently rejected. New Claims 25 and 26 have been added.

Claim Rejections Under 35 U.S.C. § 112

Claims 1-3, 6-11 and 14-16 are rejected under 35 U.S.C. §112, first paragraph, as failing to comply with the written description requirement. Applicant believes support to the previous amendment is properly available. However, in order to advance the present application, Applicant has amended the claims to not recite the feature of “simultaneously displaying ...”. Applicant reserves the right to pursue the unclaimed subject matter.

Applicant has amended independent Claims 1 and 9 to recite the feature of “transmitting the EPG over the Internet to a web-enabled cellular phone having a first video display, wherein the EPG includes preset selections”. Support for this feature can be found, inter alia, in paragraph 0030. Applicant asserts that none of the cited prior art references, either alone or combined, teach or suggest the features as presently claimed in Claims 1 and 9. Accordingly, Applicant asserts that independent Claims 1 and 9, and all claims that depend upon them, are allowable.

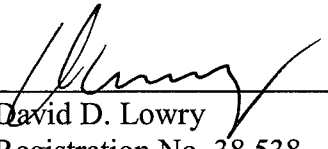

Applicant has added new Claims 25 and 26, which include subject matter that is incorporated by reference. Specifically, the present specification in paragraph 0015 incorporates by reference co-owned patent application 09/488,361, which is now U.S. Patent No. 6,421,067. U.S. Patent No. 6,421,067 includes support for the subject matter, inter alia, in Col. 11 lines 40-60 and Col. 15 lines 16-32. Applicant asserts that these new claims are allowable.

Conclusion

All rejections having been addressed, Applicant respectfully submits that the instant application is in condition for allowance, or alternatively in proper form for appeal. Applicant respectfully solicits notification of allowance. Should the Examiner have any questions, the Examiner is invited to contact the undersigned at the number set forth below.

Respectfully submitted,

Date: October 30, 2007
